

Thursday 19th October 2023

Dear Parents/Carers,

On Wednesday 24th January 2024, Year 3 will be visiting Magna Science Adventure Centre in Rotherham. This visit will help support us with our learning in our science topic.

There will be a voluntary contribution to cover the cost of the visit of £22.00 per child for the coach hire and admission to the centre. The visit is now available online via SCOPAY so that you can start to make contributions towards the cost. The final amount must be fully paid by Wednesday 10th January. There is no obligation to contribute, however I must emphasise that if the level of support is not sufficient to make the visit viable then unfortunately the visit will not take place for any of the children.

We have taken into consideration the current economic situation and have done all we can to keep the cost of the visit as manageable as possible. Payments can be made in instalments to spread the cost. Of course, if you wish, you may still pay the whole amount. We politely request that payments are made via School Cash Office – this is the case whether you are paying in full or instalments. Please do not send cash into school as we are a cashless setting. There is no obligation to contribute, however I must emphasise that if the level of support is not sufficient to make the visit viable then unfortunately it will not take place for any of the children.

The children will need to be dressed in their school uniform with coats and suitable footwear. Children will need to bring a packed lunch unless your child is eligible for free school meals, then a packed lunch can be provided for them. We will be leaving school at 8:45am sharp following registration

Thank you for your continued support.
